Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Crispian has lived in the city of Tutus all his life. He is used to the darkness that always cloaks the world, broken only by the lamps that huddle in the streets and winding alleys. He knows what it is to live in a segregated quarter, away from the prejudiced Rubrum race. He takes comfort in the company of his few friends, and the Minister--the only people who do not look twice at his missing eye and hand. But when he allows a young woman named Aiva to enter his life--a Rubrum, no less--Crispian comes under attack by forces he can neither see nor understand. Aiva assures him that she knows a place where he can find sanctuary from all of them. Can Crispian trust her to guide him safely out of Tutus, through the cursed ruins of an ancient city and the depths of an evil forest, to a realm that promises to be more wonderful than he can imagine? Or should he believe everything he's ever been taught, and return home before Aiva and the force behind the mysterious light on the horizon lead him to his death?.
